

# Blue Valley Community Resource and Preschool Fair 2021

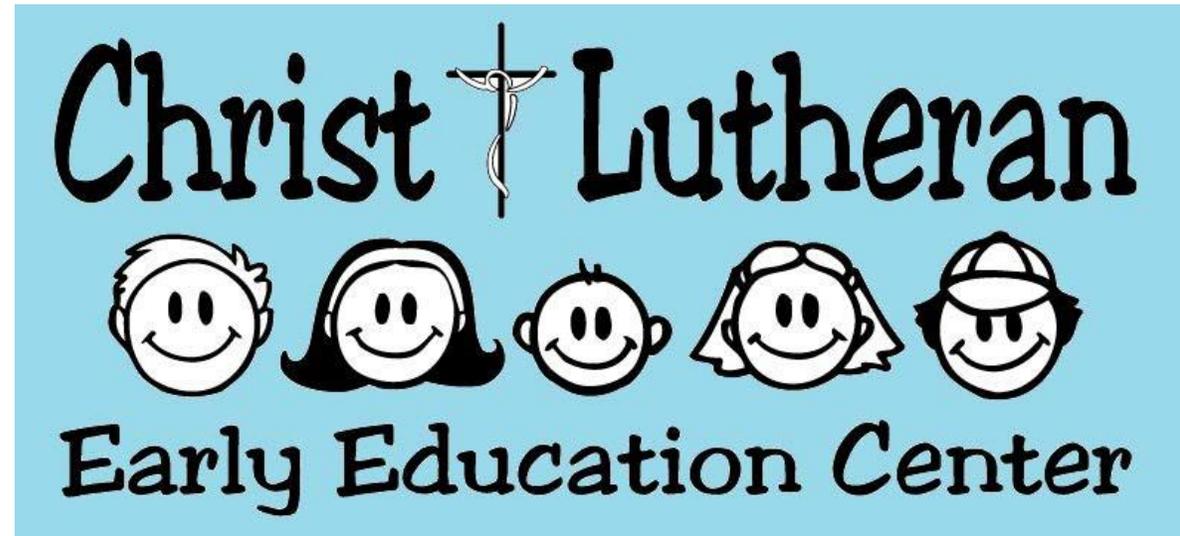

Our degreed teachers will provide a high-quality preschool program for every child. We are committed to a philosophy that meets each child where they are in their development. We strive to provide an atmosphere where each child will develop skills at their own rate. We acknowledge that you, the parents, are the child's first and most significant teachers and seek to build upon the foundation that you have built. Our goal is to nurture the growth of the whole child by providing a curriculum and atmosphere that fosters social, emotional, cognitive, physical, and spiritual development. With that growth, it is our hope that each child will develop a strong sense of self.

We are a part time preschool for children 2 ½ years old – 5 years old. Our hours are 9:00-11:45 or 9:00-2:00

For More information about our program visit our website at [www.villageantioch.org](http://www.villageantioch.org) under the preschool tab you will find our enrollment information, calendar, handbook, curriculum and much more. Contact: Paula Benefiel, Preschool Director at [paula.benefiel@villagepres.org](mailto:paula.benefiel@villagepres.org) or 913-681-1906

**Our Mission:** Together in Christ, helping children to connect with Jesus as Lord and Savior. WE BELIEVE that the school, in cooperation with the home, has the role of developing children intellectually, socially, emotionally, physically and spiritually.

**For over 30 years CLEEC has been meeting the needs of preschool families in our community.** We offer a variety of options for your preschooler (2 ½ - 5 years old) including Half Day, Extended Day and Full Day Classes. **For more information, visit our website at [www.cleecop.org](http://www.cleecop.org) or contact Michelle Howard at [michelle.howard@clcop.org](mailto:michelle.howard@clcop.org) or 913-754-5813.**

# LA PETITE ACADEMY

*La Petite Academy® offers nurturing care and early education for infants to school-age students. With STEM learning, science, technology, engineering, and math are part of everything we do in the classroom. Our exclusive School Readiness Pathway prepares each child for elementary school, with customized curriculum. Expand learning with elective programs, such as Spanish and yoga. Plus, our Grow Fit® initiative ensures the complete well-being of your growing child through nutritious eating and physical fitness. Following CDC guidance, we maintain a healthy, safe environment—giving parents peace of mind. And we keep families connected with livestreaming video and real-time mobile updates. We offer full time care, as well as part time options for ages 2 and up. While building access is limited at this time, we are offering virtual tours of our facility! We are located at 15012 Newton Drive Stanley, KS 66223 (behind Dunkin Donuts). Learn more: 913-685-2800 or LaPetite.com.*

## KANSAS CITY SCHOOL OF MUSIC

Kansas City School of Music offers Musikgarten as a central component of our music classes for infants, toddlers, and preschoolers. Our certified Musikgarten teachers are experts in early childhood music education. Classes for children range from birth through 5 years old. After examining Kindermusik, Music Together, and other early childhood music classes, we chose Musikgarten because it is the premier music curriculum for young children. The founder of Kindermusik, Dr. Lorna Heyge, developed the Kindermusik program for many years. She then left Kindermusik and started Musikgarten, taking all that she learned and then enhancing the curriculum and making it even better.

In the spirit of St. Michael, the Archangel, Defender of our faith and Protector of our children the preschool is dedicated to providing a Catholic atmosphere that inspires the development of personal growth and creates age appropriate social, physical, spiritual and intellectual experiences in a fun, nurturing environment.

The preschool is an early childhood program that seeks to further the development of the young child and provide opportunities for their independent success. We strive to provide an environment that is stimulating, challenging and most of all fun! We are committed to "learning through play." Through play, children are encouraged to express themselves freely, communicate with others and follow their natural instincts of discovery. Play is a primary focus of our program as it provides a foundation for learning and is the preparation children need to succeed in an academic environment.

# Blue Valley montessori School

There's nothing quite like the authentic Montessori Method at Blue Valley Montessori school for early education. And nothing like the results it yields. We enable children to discover their true potential and develop an organized, engaged, and focused mind. The Montessori experience prepares them to be curious, lifelong learners, as well as good citizens, future innovators, and able leaders. Our school offers traditional, sensory-based Montessori materials, self-directed learning experiences, and teachers trained by MACTE-accredited organizations (Montessori Accreditation Council for Teacher Education) in the Primary classrooms. Start your child on the Montessori path today. And stay connected with our livestreaming of your child's classroom and unique online resource, Montessori Compass. All Around Child is a Reggio Emilia Inspired Early Childhood Center. It is a place for children to grow, learn, play, and foster creativity. Your children deserve nothing but the best, so bring them here for an inviting environment that encourages curiosity and play.

We are a family owned and operated center and provide early education and quality care for infants 6 weeks – 12 years of age. Our programs include Infant, Toddlers, Preschool, Prekindergarten, Kindergarten and Before/After School care.

As a program, All Around Child has consistently offered families a unique home away from home over the years. Our curriculum is strongly based on educational achievement, the development of well-rounded social skills, and an introduction to the arts. Our state-of-the-art facility is not only child friendly, safe, and inviting but also fun and full of constant adventure. Our philosophy of teaching children is to encourage them to become “World Wise” by introducing them to science, math, literacy, physical education, the arts, and social studies through a hands-on play-based framework for learning. Our program has remained unique because we are constantly being inspired by the children. By their passion to discover something new, to build something beyond their wildest imaginations, and to see that they can do almost anything they want to if they only try.

# RED BRIDGE EARLY CHILDHOOD CENTER

Red Bridge Early Childhood Center is a part-time preschool program for children ages 2-5 years old. Our hours are 9:00am-1:00pm with some extended hours available until 3:00pm for children who are 3 years old and potty trained. In addition to classes for 2-, 3- and 4- year old children, we offer a class called "High 5's" that is designed for children with late spring and summer birthdays who spend an additional year in preschool. We also have a summer camp program with lots of fun themes and flexibility to work with your summer schedule.

We provide a high quality preschool experience where children engage in a variety of activities including music class, story time, free play, outdoor play, sensory tables, and circle time with lots of opportunities to learn and grow throughout the day. With small class sizes and two teachers in every classroom, students benefit from lots of individual attention and support. We have weekly Gymboree Play and Music classes where the students work on gross motor skills, obstacle courses, sing songs and so much more!

# 360 GYMNASTICS

360 gymnastics is a recreational gymnastics gym that strives to provide a fun, no pressure atmosphere while teaching the fundamentals of gymnastics, social skills and life skills. We offer morning and evening classes for ages 18 months and up, making it easier to accommodate parents with multiple children. For kiddos under three, we offer a Parent-Tot class, in which parents join their child to work on introductory gymnastics skills- gaining both the physical and mental benefits. Threes classes and preschool classes have their own area of the gym, allowing generous distancing between groups. They work on introductory gymnastics skills but will be introduced to new, more difficult skills as they progress. Don't worry about your child getting bored; we offer intermediate and advanced preschool classes for those who master introductory skills quickly. Children six and up are placed in our Recreation Program, which includes introductory level one through advanced level four as well as tumbling classes.

To keep our students and staff safe as COVID remains a concern, we are distancing classes to lower interactions and disinfecting classroom areas between each class.

Also offered at 360:

- Private birthday parties on the weekends, allowing groups the entire facility to bounce, swing and play!
- Both girls and boys competitive teams.

Awesome Kids Preschool is located at 14200 Kenneth Road, Leawood, KS.

Interesting facts:

- Beginning our 20th year of serving the South Johnson County area
- Majority of our staff have been employed for twelve plus years, several for 17 plus years
- The staff attends more training hours than what the Kansas Department of Health and Environment mandates
- We gather to pray over the students, families, and staff everyday before opening our doors
- Each child is seen as unique (unlike anyone else) and created in God's image.
- Our families are our best advertisement
- We believe Play is one of the best tools to use to teach the basic skills needed for Kindergarten
- We meet with Blue Valley School District Kindergarten teachers every other year to make sure we are meeting benchmarks for our students to be successful in Kindergarten.
- We have full support from Christ Community Church to run the preschool using the best practices of Early Childhood.

Early childhood at The Barstow School includes exploratory play, structured small group projects, whole class activities and one-on-one time with the teacher. In addition to the 10 classroom interest areas, our early childhood program includes specialized instruction in music, Spanish, art, library and creative movement. Every activity in our early childhood classrooms is designed to encourage transformative thinking, curiosity and eagerness, initiative and persistence, and invention and imagination in each child. Students at Barstow are known and recognized for their unique talents and interests, while learning to solve problems, think critically and collaborate through STEAM learning. When all these elements come together in an active and engaging environment, children are prepared for success in kindergarten and beyond!! **Want to learn more about The Barstow School's Early Childhood program? ## CHILDREN'S TREEHOUSE LEARNING CENTER

What makes Children's Treehouse Learning Center so unique? In addition to our classroom curriculum, infant through Pre-K students also participate in four enrichment programs: Art/Music, Science, PE/Health & Library. Toddler through Pre-K students enjoy a full-size library which includes story-time lessons along with center activities. In addition, we also have a full-size gym/multi-purpose room where preschool meals are served, and gym class is conducted, as well as outdoor time on inclement weather days. After our recent expansion we now have 10 classrooms and 3 playgrounds making us one of the largest preschools in Lenexa. Finally, in addition to our classroom teachers we also have an Infant/Toddler Coordinator and a Preschool Coordinator who provide extra support and training for our staff, all of whom are passionate about teaching young children!

## HEALTHY ROOTS COUNSELING

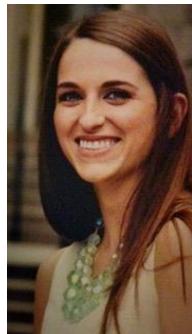

Healthy Roots Counseling is a team comprised of four therapists who work with individuals and families struggling emotionally, behaviorally, or socially, or who are seeking additional support or guidance in their lives. We can offer help to someone for a multitude of reasons, including but not limited to: needing more effective coping skills, processing a traumatic event, or struggling with parenting challenges. We often work with individuals with anxiety, ADHD, depression, defiant behaviors, attachment issues, and life transitions. We primarily work with children and families in addition to adolescents, adults, couples, and parenting/co-parenting. Our focus as therapists is to not only provide short-term solutions, but to maintain long-term successful results for the entire family.

## SWIM SCHOOLS

“Our curriculum is tried, true and trusted all over the world to teach children 4 months—12 years old how to swim. Since 1991, we have led the swim instruction industry with proven methods that progress children through the six levels of the Aqua-Tots swim program. At the end of the day, we train your child to swim beyond the pool’s edge, safely into adulthood. When you step through the doors of Aqua-Tots, you may notice our year-round, indoor, 90° pool, the comfy red chairs in our viewing area or the fully stocked changing room, but what you’ll feel is a place of community, of belonging. Your child's early development is a delicate time in his/her life. At Crème de la Crème, we've established a proven environment that is conducive to an infant, toddler, preschooler, or school-age child's social and educational success. This is why parents from across the U.S. continue to trust us as the leader in early childhood education. At Crème, our programs focus on all areas of development such as communication, cognitive, social/emotional and physical. We expose our students to different enrichment programs that include a STEAM (Science, Technology, Engineering, Arts, and Mathematics) Lab with Coding and Robotics and Culinary Education, Second Language Library (Spanish and Mandarin immersion), Digital Tech Lab, Coconut Theater, Creative Movement Studio, and Gym. From our Healthy and Safety Protocols to our state-of-the-art building, we are committed to the safety and security of our children and Team Members. Outdoors, children enjoy child-sized tennis and basketball courts, soccer field, baseball diamond, a custom-designed mini water park splash pad, and several play areas. ## Jewish Community Center Child Development Center

The Child Development Center (CDC) at the J is accredited by the National Association for the Education of Young Children (NAEYC) and has been providing outstanding child care in Kansas City for more than 80 years. Our play-based learning environment allows all children to learn, play and grow at an individualized pace in a warm, loving environment. We offer full and part time options for children ages 12 months through five years in a secure environment designed with age-appropriate equipment and décor, encouraging children of all faiths and cultures to learn and grow together.
